

GWMWater is an innovative and exciting employer that is committed to contributing to the sustainable growth of communities within the Grampians, Wimmera and Mallee regions.

We provide a great work environment to attract and retain the best people to GWMWater and the Region

We do this by:

- Supporting staff, suppliers and contractors to achieve zero harm
- Offering a flexible and stimulating workplace and investing in our people to enable us to adapt to the changing needs of our region.
- Building the capability and culture of our people into a more highly skilled, professional, customer focused and efficient organisation.

We offer exceptional working conditions including an active social club, attractive parental leave and other flexible working arrangements to assist staff achieve an effective work life balance.

The role is located in Horsham, the capital of the beautiful Wimmera region, and is only three hours from Melbourne or the magnificent Victorian South West Coast. The region boasts access to many national parks including the Grampians and Mt Arapiles. Horsham offers a warm and welcoming community for those wanting to experience a safe and healthy rural lifestyle. This progressive city boasts first class health, educational, cultural, sporting and social facilities.

Currently applications are being sought for:

Manager Project Delivery (Fixed Term 18 months)

The Manager Project Delivery is responsible ensuring that all capital works are delivered in accordance with GWMWater's corporate planning and contract management systems. They are responsible for ensuring the appropriate permits and contract are in place prior to commencing works and throughout the course of the works. They are responsible for ensuring the appropriate emergency management systems are available and up to date and that works are appropriately recorded and fit for purpose.
