

## Civil Drainage Manager

This is an exciting opportunity for an experienced Civil Drainage Manager to join our team at Drain Surgeons NZ Ltd (part of the HydroTech Group) based in Albany leading and supporting the Auckland civil drainage team.

The ideal applicant will require the following:

- 10+ years relevant industry knowledge and supervisory experience
- Confidence in leading a strong client focused 24/7 operation
- Good communication and organisational skills
- Effective problem solving skills with the ability to multi-task
- Ability to coach, mentor and lead a diverse team
- Good computer skills and understanding of Microsoft Office
- Understanding of Health & Safety regulations

### Personal attributes:

- Resilient, hardworking and proactive
- Solutions and outcome focused with an innovative approach to continuous improvement
- Adaptable, flexible and agile to meet the demands of 24/7 operation
- Deliver to deadlines at all times and be willing to go the extra mile
- Effective leadership experience

If you believe you have the right skills and experience to successfully manage this role and would like the opportunity to work for a fast paced high performing organisation, please apply online now or send your application to [hr@hydrotech.co.nz](mailto:hr@hydrotech.co.nz) attaching your CV and covering letter. Alternatively check out our Careers page on our website at [www.hydrotech.co.nz](http://www.hydrotech.co.nz).

Please also ensure that you are currently eligible to work in New Zealand via residency or a valid NZ Work Visa.
