

## General Manager Corporate Services

- Balance Career & Lifestyle in South Gippsland
- Make a Strategic Contribution
- Remuneration Package up to \$180,000

South Gippsland Water (SGW) is located in Foster, about 2 hours' drive from Melbourne and a popular tourist destination well known for its coastal resorts and national parks. SGW provides essential services such as drinking water, recycled water and wastewater services to over 23,000 customers within the area. Currently embarking on a high profile \$40 million capital project, SGW are seeking a highly motivated individual to join the executive team.

Reporting to the Managing Director, you will take on the leadership of the Finance, IT, Risk and Governance functions of the business, with a focus on process optimisation. Leading a capable team, you will ensure SGW meets all statutory and regulatory obligations, whilst putting in place effective structures to optimise the financial viability of the organisation.

You have an accounting qualification and may come from a range of backgrounds but have a proven track record of delivering upon the needs of internal customers. You are driven to work collaboratively and effectively across an organisation where you can truly add value, and have the ability to share and implement a vision. Your stakeholder management and communication skills are regarded as key strengths and will guarantee your success in this role.
