

VICWATER
2024 VICTORIAN OPERATOR OF THE YEAR AWARD
NOMINATION FORM

Nominations are sought annually from Water Authorities and water companies throughout Victoria for operators who meet the following criteria:

- Nominees should be working in Victoria and should have direct responsibility for operational decisions at community water, sewer, or recycled water systems/networks and/or water, wastewater or recycled water treatment plants or industrial water or wastewater plants.
- Nominees should have demonstrated a continued high level of performance, initiative, and all-around attention to detail in the execution of their duties.

This award is designed to provide encouragement to water industry employees by recognising excellent performance, initiative and attention to detail.

Prize

The completed applications are judged by an independent panel. In addition to the prestige and recognition of being named the award winner, the Victorian Operator of the Year will receive a trophy, certificate, and professional development prize of an all-expenses paid trip to an overseas water conference
