

# 2025 VIC WATER INDUSTRY OPERATIONS CONFERENCE AND EXHIBITION CONFERENCE COMPETITION

By Selecting a **Purple coloured Booth**, you are entitled to participate in the Conference Competition at the Water Industry Operations Conference and Exhibition to be held at the Bendigo Exhibition Centre on 2nd & 3rd April 2025.

Only 10 companies will participate & your site will be provided with an identifying logo to promote you as a competition participant. This is an excellent opportunity to attract delegates to your stand, share product and services information and to get to know the delegates better. Most importantly this is a **FUN** activity for all involved and will ensure delegates visit all areas of the exhibition. Please let me know if you will join in the fun by **Wednesday 15 January 2025**.

## At the conference

- Delegates will be invited to enter the competition and register at the front desk. • Teams of 3 will be formed and each team given a number.
- The competition runs over Wednesday and Thursday. You may commence your challenge at any time during the 2 days, if teams approach you.
- All teams must completed by close of Thursday afternoon tea session.
- Winners will be announced at pre dinner drinks on Thursday night.
- Prizes can be given to the registration desk.

## Competition Rules

There are few rules:

- Keep your challenge short and uncomplicated.
- Make the competition fun, entertaining and educational. This ensures delegates remember your company and your products/services.
- Ensure all staff members working at your trade site are aware of the competition, how to run it and the rules.

## Prizes

- Participating companies are requested to include prizes that will form the overall prizes for the competition.
- These prizes will then be pooled together and given to 1st, 2nd and 3rd competition winners.
- Please supply **3 prizes of the same item**, with a **MAXIMUM** value \$50 each. We pool the prizes and distribute parcels to the winning teams.
- Some of the prizes participating companies have supplied in the past include:
  - Fishing or camping gear
  - Tools and equipment
  - Gift vouchers (eg: Bunnings)
  - Clothing
- Any additional promotional items that can be used as part of the prize pool are welcome.

## Scoring

A score sheet will be provided to you by WIOA at the conference. Keep scoring simple and consistent and out of 10. 10 the highest and 0 the lowest. Do not use fractions.
